①

- Ben Goodman

Startup

②

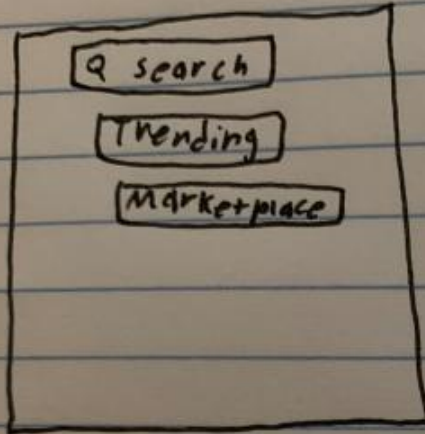

What brings you here?

- ☐ Sharing Art
- ☐ Need inspiration
- ☐ Wanting to buy art
- ☐ Want to sell art

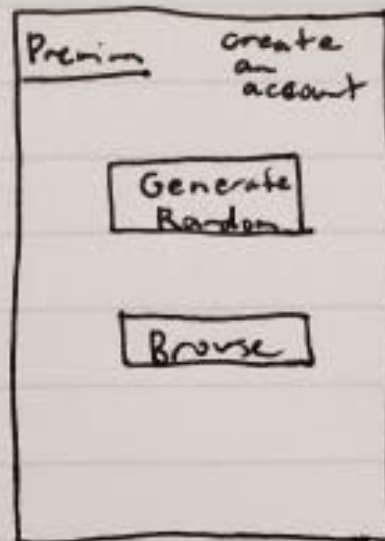

Go

Reason for using the app to
better personalize the experience

③

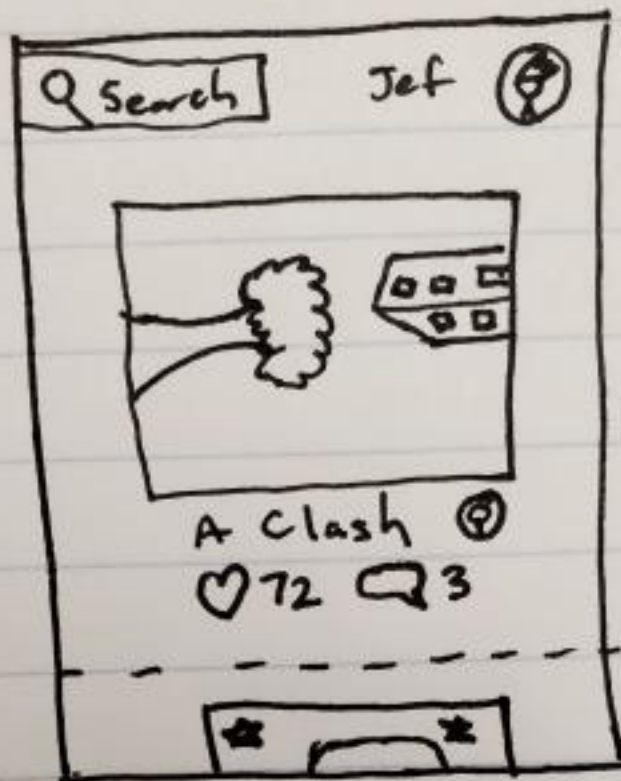

- Search can be used for inspiration,
- Trending Shows what art is in demand
- marketplace can be used by artists and critiques to discuss prices

This is the first screen. Browse will let you search topics and look at other's accounts. Create an account gives access to account exclusive features. And premium lets you pay for more functionality.

This is how
an account
would look,
with a profile
pic, and uploaded
art

There is a feed
when you have a
profile for art you
may like that is
scrollable.
